#### Dear Resident.

Because disasters occur at the community level, a group of local Marlow community leaders and officials have joined forces with a national initiative to create a **Citizen Corps Council**. As witnessed by recent NH flooding and unprecedented natural disasters around the world, it's clear that no state or community is immune to sudden, catastrophic events. Statistics show that during emergencies which occur during a disaster, 85% of those affected (victims) are treated by themselves, their families, or their neighbors.

Citizen Corps will help coordinate volunteer activities which will make our ommunity safer, stronger and better prepared to respond to any emergency. State and Federal Agencies give financial and planning support to towns like Marlow to organize a Citizen Corps Council and implement programs like Citizens Emergency Response Teams (CERT) to prepare our citizens to help themselves. The training is free and we are actively recruiting members.

Community-based preparedness, planning and training allows us to prepare for and respond to disruptions and potential hazards following a disaster. As individuals, we can prepare our homes and families to cope during this critical period. Through pre-event planning, neighborhoods, schools and worksites can also work together to help reduce injuries, loss of lives and property damage. Neighborhood preparedness enhances our ability to reduce our emergency needs to manage existing resources until professional assistance becomes available.

- As a first step, we the town must know what skills and resources may be available in case of an emergency. The enclosed questionnaire will enable us to:
- assess which resources our citizens might be tiling to make available in a disaster
- assess the skills of those who are willing to volunteer
- seek citizen participation in Marlow CERT Teams for humans and/or animals
- determine the special needs of the citizens such as the elderly and disabled

Thank you for your immediate response with this important information. Surveys can be dropped off at one of these convenient Marlow locations: The Marlow Store, library, town office. If you have any questions please call Becky Sharp 446-7458 before 9PM and leave your name and telephone number. A Council member will return your call.

Marlow Citizens Corps Council - Becky Sharp, Chairman, Joe Marcotte, Ken Avery, Tony Davis, Jacqui Fay, Gen Ells, Loretta Hull, Emile Piterak, Mary Blank, Richard Rock, Carol Stewart, Robert Allen, Jaye Aldrich.

## EMERGENCY PLANNING / TOWN OF MARLOW, NH COMMUNITY RESOURCE SURVEY JANUARY, 2007

All information given will be treated in a confidential manner and will only be used for the purpose of emergency planning.

Family name:
Names of all adults in the household:
Total number of adults: Children:
Mailing address:
Physical address:
Year round: Seasonal:
Home phone: Cell phone:
E-mail address:
Do you work in town: Name: Out-of-town: Name:
May we contact you at work? Yes: No:
If so, please list your work phone numbers:
If the town was to implement a "street warden" program, whereby each road in town had a primar and secondary contact person, who would then be responsible for contacting each person on the road in the event of an emergency, would you consider being one of those contact people? Yes: No:
How does your household receive information regarding local/national news, health alerts, community emergencies, etc.?
computer: TV: telephone: radio: newspaper: other:
please explain:

## HOW CAN WE HELP YOU?

### SPECIAL POPULATIONS CHECKLIST

If more than one person please indicate number.

1. Disabled
Blind or visually impaired: Chronically: Deaf or hard of hearing: Developmentally disabled: Drug and /or alcohol dependent: Energy dependent:
